## President Junior Chamber Dublin - Yvonne Rohan

It is an honour for me, as the 1996 President of Junior Chamber Dublin, to officiate at the chapter's 40th Anniversary celebrations.

The celebrations will culminate at the Annual Dinner, which will be attended by many of our Past Presidents, and Past Members.

As a memento of the year, this historic booklet has been produced. The production of this booklet, gave us, the current members, the opportunity to delve into the Chapter's past.

It was wonderful to meet so many past members who have now lost contact with the organisation but who so willingly welcomed the opportunity to reminisce on their involvement and what it has meant to them over the years.

I know that today's members will benefit from taking the time to learn from the past and will appreciate the vision of our founding fathers for giving us today's strong organisation.

While we celebrate our past 40 years, it is with an eye on the future. As the 1996 President, I am confident that the next decades of Junior Chamber Dublin will be as worthwhile for the membership as the past ones have been.

## World President JCI Message of Greeting

What a dynamic year it has been so far - full of radiant colors, fresh aspirations, and countless opportunities for *Building Rainbow Bridges* personally, locally and globally.

During my term of office my chief mission is to encourage the *Building of Rainbow Bridges* in our Junior Chamber World. We all can play a part in achieving this goal by continuing to grow in strength and number and fulfilling the JCI Mission. Our mission urges us to contribute to the advancement of the global community by providing the opportunity for young people to develop the leadership skills, social responsibility, entrepreneurship, and fellowship necessary to create positive change.

We must *Build Rainbow Bridges* together through the *Five Areas of Opportunity* that our organisation provides - Individual Development, Management Development, Community Involvement, International and Business.

The world is changing rapidly, and Junior Chamber must make every effort to remain the leader through new ideas and projects. We must inspire motivation and creativity in our members. I am confident that your energy and enthusiasm will become part of this fast-changing world. It was a great pleasure to meet your President, Yvonne Rohan and the members of Junior Chamber Dublin during my enjoyable visit in March of this year. Your contributions and achievements as chapter members are of the utmost importance to the organisation.

Wishing one and all a vibrant and successful year!

In Junior Chamber Spirit!

Thomas J. Clear, III

JCI World President

## Message from the National President of Junior Chamber Ireland - Domini Hearn

As the 40th National President of Junior Chamber Ireland, it is my distinct pleasure to extend both my personal good wishes and congratulations, and those of Junior Chamber Ireland, to Junior Chamber Dublin, on this the 40th Anniversary of its foundation.

The reputation which Junior Chamber Dublin has earned at local level, within the East Region, within Junior Chamber Ireland and indeed, Internationally, is outstanding. It is a tribute to all of those members, who, through their dedication, commitment and enthusiasm over the last 40 years, have worked tirelessly, and in a most professional manner to live and work the Junior Chamber Creed. The range, depth and relevance of the projects and programmes executed by this premier Chapter, have won it the respect and adulation which, I believe, is its due.

The members this year, 1996, have indeed been fortunate. Yvonne Rohan, as Chapter President, has been a great leader, an effective, efficient and understanding administrator, and an excellent ambassador for Junior Chamber Dublin. Her confidence, her outgoing personality and her eagerness to extend the hand of fellowship have made her an exceptional President. I wish you well Yvonne as the Director of Business with Junior Chamber Ireland in 1997, and look forward to serving our members with you.
